

UP CM directs officials to expedite work for Jewar airport

The chief minister directed officials of the departments of irrigation, power, public works, women and child development, forest and basic education, among others, to relocate their properties, if any, located on the airport project's area. "This will help complete the airport project on time," the cm said, while addressing officials at his residence in Lucknow.

He said that the Jewar airport is important for the economic development and prosperity of the state. "Better connectivity plays an important role in commercial and industrial development. The Noida International Airport will play a leading role in the development of Uttar Pradesh," the CM said.
