

# Government to offer incentives to boost exports

Reuters / Aug 17, 2021, 20: ..

NEW DELHI: The government on Tuesday launched a new incentive scheme - compliant with World Trade Organization (WTO) rules - to boost exports that will enable exporters to get a refund of taxes paid to the federal and state governments, its trade minister said.

The government plans to spend Rs 19,440 crore (\$2.61 billion) offering incentives to exporters under the scheme that would be effective from January 2021, a trade ministry official told reporters.

India has set a target of \$400 billion in merchandise export ..
