**LUCKNOW:** As many as 4,03,806 clearances have been granted through Nivesh Mitra, the single window portal that was launched in Uttar Pradesh at the investors' summit in 2018, the state government said on Wednesday.

"Since its launch in February 2018, the disposal rate of clearances is 96% and the approval rate through the portal is 85%. A total of 4,77,761 applications

have been filed by entrepreneurs through Nivesh Mitra portal for obtaining regulatory approvals so far over a period of only around three years," industrial development minister Satish Mahana said in a press note issued on Wednesday.

"our government has been implementing technology-driven reforms to improve the ease of doing business in UP. Nivesh Mitra is one of the various successful initiatives to imparting process-transparency and facilitation of investments

in the state. This has helped UP jump 12 positions and achieve second position in ease of doing business in India," the minister said.

"Nivesh Mitra – the single window portal was launched by Prime Minister during UP Investors Summit-2018 with 69 services of 20 departments.

These have now been scaled up to 347 services, covering all pre-establishment/pre-operation/renewals for enterprises along with additional services," the minister said. "Under grievance redressal mechanism of Nivesh Mitra, 32,965 grievances have been received from entrepreneurs till now, of which 31,242

have been resolved with a resolution rate of 95%," the minister said. "User Feedback' module of Nivesh Mitra, the portal has received total 2,26,113 feedbacks from its users, out of which around 80% - around 1,79,979 feedbacks have been received under 'satisfied' category," the minister said.
