

# 64 companies bid to make UP \$1 trn economy

Apr 12, 2022, 04.06 AM IST

Lucknow: A slew of meetings held by the Uttar Pradesh government focusing on boosting the size of the state's gross domestic product to US \$1 trillion (about Rs 76 lakh crore) have translated into a response from 64 domestic and international companies that participated in the pre-bid meetings.

The UP government had invited financial consultants to submit their feedback before the bidding starts for selection of a consultant that will be entrusted with the task of implementing the plan to achieve the target of a US \$1 trillion GDP for the state.

And to take things forward, on April 13 the high-power committee under the leadership of the chief secretary will go through the feedback provided by the 64 independent consultants that have submitted their response.
