

## **UP govt assures industry of full support**

Lucknow, June 22 (UNI) Secretary, Industrial Development and Chief Executive Officer of 'Invest UP' Abhishek Prakash on Wednesday assured industry of full government support in investment facilitation and grievance redressal through online mechanism.

Prakash was interacting with officials of Associated Chamber of Commerce and Industry of UP (ASSOCHAMUP) and Indian Foreign Service (IFS) Officers visiting the state to understand the aspirations of the business community in the state.

CEO, Invest UP urged the IFS officers to highlight abroad the improvement in ease of doing business and sea change in infrastructure development across the State. He asked them to facilitate branding of Uttar Pradesh as an attractive investment destination by lining up high network individuals and exporters of Uttar Pradesh on embassy websites

ASSOCHAMUP organised an interactive session with Passport Officer, RPO, Delhi Surendra K Adhana, Deputy Secretary (CPV), Ministry of External Affairs. Peeyush Verma, Deputy Secretary (North), MEA Manoj Kumar, Deputy Secretary (GEM), MEA Naresh Kumar of Indian Foreign Service as well as 'Invest UP'.

CEO, ASSOCHAMUP RK Sharan informed that the purpose of this interactive session was to communicate the present industrial environment of the state and expectations of the business community in the near future.

Tariq Hasan Naqvi, Senior Vice President, ASSOCHAMUP welcomed Abhishek Prakash and the visiting IFS officers. He has also highlighted the various initiatives taken by the UP government in improving the infrastructure and the target to achieve a one trillion dollar economy in the next five years. He also sought support from IFS officers.

The visiting IFS officers appreciated the progress made by the business community of Uttar Pradesh. They assured to support Business Development in UP.

Rajeesh Chopra, renowned manufacturer of transformers expressed the need for a seminar to understand the technical requirements of other countries. He said that India had a very good manufacturing setup for transformers but in the absence of technical feasibility the export is not at the desired level.

Sanjay Sinha, Owner of Ekana Stadium was happy with the business opportunities he is receiving in the sports area.
