

# 'UP exports to touch ₹3L cr in 3 years'

TIMES NEWS NETWORK

**Lucknow:** Stating that Uttar Pradesh has set the target to increase its exports to Rs 3 lakh crore over the next three years, minister for infrastructure development and industries Nand Gopal Gupta Nandi on Tuesday apprised the Union government about the efforts of the state government to make the state a trillion dollar economy. Nandi was in Delhi to participate in the national export policy consultation led by Union minister Piyush Goyal. Nandi apprised representatives of state governments about upcoming policy framework in the state.
