

Industrial policy to help UP attain \$1 tn economy: DyCM

TIMES NEWS NETWORK

Lucknow: Various stakeholders of the industry gathered from across the country to deliberate on the need and potential to embrace green initiatives in UP's journey towards \$1 trillion economy at the PHD Chamber of Commerce and Industry's Infrastructure Conclave 2022 held here on Friday.

The speakers threw light upon several core areas, including reducing carbon footprints through multi-modal; green financing; green technology; sustainable construction and green supply chain; reverse logistics – to reduce pressure on environment, identify gaps in implementation of relevant policies besides providing a platform to share good practices and lessons learnt in the quest towards \$ 1 trillion economy goal.

Chief guest, deputy chi-

Dy CM Brajesh Pathak at PHD Chamber of Commerce and Industry's Infrastructure Conclave 2022 on Friday

ef minister Brajesh Pathak said that the state government has launched new industrial investment and employment promotion policy 2022 to create progressive, innovative and competitive industrial ecosystem generating employment in the state while mobilizing investments from across the world.

Guest of honour, cabinet minister, MSME, Rakesh Sachan said that sustainable development was a need of the hour not just for the present but for the future generations.
