

Uttar Pradesh government's road shows abroad: Yogi Adityanath to assess investment proposals on December 22

Yogi Adityanath has set a target of attracting investment of ₹10 lakh crore ahead of GIS-2023. The Uttar Pradesh government had sent eight teams to 18 countries to attract investment.

An official announcement about the total investment received following the Uttar Pradesh government's road shows is likely to be made after the December 22 meeting.

Uttar Pradesh government teams have begun returning after holding road shows in 18 countries to attract investment to the state ahead of the Global Investors Summit-2023, scheduled here from February 10 to 12.

Chief minister Yogi Adityanath, who had sent eight teams abroad, has convened a meeting of all the teams on December 22 to make a final assessment about the intents of investment received and the memorandums of understanding signed overseas in the past nearly 10-day period when the road shows were held.

Yogi Adityanath has set a target of attracting investment of ₹10 lakh crore ahead of GIS-2023. The Uttar Pradesh government had sent eight teams to 18 countries to attract investment. An official announcement about the total investment received following the Uttar Pradesh government's road shows is likely to be made after the December 22 meeting.

As of now, there are indications that the team led by minister for finance Suresh Khanna got 21 MoUs signed worth ₹4.01 lakh crore. Khanna's team held road shows at London (UK), New York and San Francisco.
