Kanpur: Kanpur has received investment proposals of Rs 70,000 crore so far at the district level Investor Summit held at the Merchants Chamber in the city on Sunday. MoU regarding the same was signed with the investors.

Around 400 entrepreneurial investors took part in the summit. Schemes of UP State Industrial Development Authority (UPSIDA), Ministry of Micro, Small & Medium Enterprises (MSME), Handloom Export and other sectors were presented during the summit.

On the occasion, Industrial development minister Nand Gopal Gupta Nandi and MSME minister Rakesh Sachan honoured 31 entrepreneurs.

Addressing the investors, Nandi said, Uttar Pradesh has become Uttam Pradesh under the able guidance of Prime Minister Narendra Modi and Chief Minister Yogi Adityanath and is now moving on the way to become the best state. "Today such an atmosphere

has been established of the Investors Summit that there is enthusiasm in every district," said Nandi.

India is becoming 'Vishwa Guru,' he said, adding, "Since 2014, after the PM Modi took over the reins of the country, India's respect has increased in the world," he said.

The minister said that UP

Industrial development minister Nand Gopal Gupta 'Nandi' and MSME minister Rakesh Sachan honouring entrepreneurs

is the fastest growing economy of India. "Today a fear-free environment has been established in the state, due to which investments are being made at a rapid pace," he said.

Nandi said, "I assure the entrepreneurs that any problem faced by them in establishing their industries in UP will be resolved on a time-bo-

und priority." Speaking on the occasion, MSME minister Rakesh Sachan said, "The infrastructure of Uttar Pradesh is being developed, seeing which the people of UP have broken the history of 37 years and for the second time the government with absolute majority has been formed under the leadership of CM Yogi Adityanath," he said. "Land bank arrangements are being made to promote industries in Kanpur. The Central and state governments are continuously making efforts to take people, farmers and industries forward," he said. A New Kanpur City has to be built in Kanpur, for which land will be required and efforts for the same have begun, he said.

Welcoming the guests, CEO -UPSIDA Mayur Maheshwari said, Many people are interested to invest in Uttar Pradesh and MoUs worth Rs 70,000 crore have been signed, under which Rs 11,819 crores have been invested by UPSIDA and Rs 9,229 crore by MSMEs, he said.

MP Satyadev Pachari said, "I appeal to the entrepreneurs of Kanpur to get the MoUs signed today on the ground as soon as possible, so that more and more people get employment and get advantage of it."
