**Lucknow:** Calling the investment proposals of Rs33.5 lakh crore which the state received during the recently concluded Global Investors Summit (GIS) "historic", Chief Minister Yogi Adityanath on Wednesday said that the youth of the state would no longer have to travel out of the state to look for employment.

Speaking to a private news channel, the CM said that investments had come into all 75 districts of the state and that jobs would be created for people in their own villages.

CM Yogi gave the credit to MSME sector and the 'one district-one product' scheme for an increase in exports from UP

He said that the GIS has only shown a small portion of the state's actual potential which could not have been achieved before 2017 as previous governments "were mortgaged due to casteism, communalism and family politics".

He said: "UP has always been a state of immense po-

## NE states preserving integrity of India: Yogi

CM Yogi praised the nationalist fervour of the north-eastern states in preserving the unity and integrity of India. Saying that the people of northeast had been deprived of even basic facilities for years, the CM said the youth of the northeast was fulfilling its dreams by succeeding in national competitive exams. **P 5**

tential. In 1947, the per capita income of UP was better than the national average but later fell to one third of the national average as those in power committed the sin of dividing the society on the basis of caste, religion and belief.
