

India's textile industry poised for a quantum leap as Prime Minister announces PM MITRA scheme

ANI

Synopsis

Inspired by the PM's 5F vision - Farm to Fibre to Factory to Fashion to Foreign - the PM MITRA scheme is a major step forward to achieve Aatmanirbhar Bharat and 'Vocal for Local'. The mega parks will help the sector achieve its target of a turnover of \$250 billion and exports of \$100 billion by 2030.
