Uttar Pradesh: Yogi Govt upbeat with investment proposals of Rs 35 lakh crores

Lucknow (Uttar Pradesh) [India], April 2 (ANI): Uttar Pradesh Chief Minister Yogi Adityanath directed officials to prepare a detailed action plan focusing on 10 sectors, in coordination with all the important departments related to the economic development of the state, to achieve the goal of USD 1 trillion (Rs 82 lakh crores) economy in the next four years.

The 10 sectors are law and order, agricultural production, social security, infrastructure and industrial development, urban development, rural development, medical and health, education, tourism and culture and revenue collection, according to an official statement. Upbeat with investment proposals worth Rs 35 lakh crores received through the recently held Global Investors Summit and a historic budget of Rs 6.90 lakh crore for the financial year 2023-2024, the State Government has embarked on its mission to establish the state as the country's largest economy by 2027

Chief Minister Yogi Adityanath has given instructions to the officials to carry forward the programs while preparing an action plan in mission mode for the next four years. The responsibility of each of these sectors has been given to an experienced officer of the level of Additional Chief Secretary.
