Dedicated Freight Corridor. (DFCCIL)

## Snapshot

- *About 1,046 km of the western dedicated freight corridor and 1,150 km of the eastern dedicated freight corridor have been commissioned.*

---

As of June 2023, 77.2 per cent of the Dedicated Freight Corridors (DFC) project has been commissioned, according to the Ministry of Railways.

Dedicated freight corridors are proposed to adopt world-class and state-of-the-art technology. Significant improvement is proposed to be made in the existing carrying capacity by modifying basic design features.
