

# UP Inc explores business ties with Slovak Republic

TIMES NEWS NETWORK

**Lucknow:** A delegation from UP industry and business fraternity met Apoorva Srivastava, the designated ambassador of India to the Slovak Republic, in Lucknow on Monday. The meeting aimed to explore potential business prospects between UP and the Slovak Republic and foster bilateral trade relationships.

The delegation, comprising industry leaders Syed Mohd Danish of Tata Motors, Anand Singh Bisen of Adnani Group, Alok Mishra from Rako Agrochem, Kamaldeep Tripathi from Makemytrip, Sandip Kohli, and several others, engaged in extensive discussions. The primary focus was on identifying opportunities in diverse sectors such as tourism, manufacturing and engineering, retail and heritage, agriculture, and holistic healthcare.

Both parties acknowledged the promising trade and business opportunities between India and the Slovak Republic. The potential for colla-

The potential for collaborations in various sectors was highlighted during the discussions between a delegation from UP and Apoorva Srivastava, the designated ambassador of India to the Slovak Republic

borations in various sectors, including technology, automotive, manufacturing, pharmaceuticals, and information technology, were highlighted during the discussions. Being a part of the European Union, the Slovak Republic offers a gateway for Uttar Pradesh to access the EU market.

The meeting proved to be a step towards strengthening ties and exploring avenues of cooperation for the benefit of both regions.
