

Identify new mining blocks: Yogi to officials

TIMES NEWS NETWORK

Lucknow: The revenue generated through auction of mineral blocks has doubled in comparison to previous year.

The fact was highlighted at a high-level meeting with the officials of the Geology and Mining Department on Thursday to review the functioning of the department. CM Yogi Adityanath, who also holds the charge of mining minister, on Thursday asked the officials to present the summary of the work done during the present financial year. It was revealed that the revenue generated during the first quarter of 2023-24 (April-May-June period) was up by 96% compared to the first quarter of 2022-23.
