Gorakhpur: Emphasising that investors and entrepreneurs will not face any problems in the state, CM Yogi Adityanath on Monday said that the government guarantees their security and all necessary facilities to them. He encouraged them to invest in UP, assuring that the government will stand by them.

The CM inaugurated a plastic pipe factory in Sector 26 of GIDA, which involves an investment of Rs 110 crore, and also laid the foundation and inaugurated development works worth Rs 136 crore. Addressing the investors, he said the government is providing a conducive environment for security and all types of facilities. Online portals such as 'Nivesh Mitra' and 'Nivesh Sarathi' have been created for this purpose, and incentives are being provided to investors without any hindrances, he added.
