

UP unemployment rate comes down to 2.6% : Report

Lucknow: As per the most recent periodic labour force survey, UP's unemployment rate has come down from 6.4% in 2017-18 to 2.6% in 2022-23. The report states that India's unemployment rate in 2017-18 was 6.1%, which fell to 3.4% in 2022-23.

A state government spokesperson said that in the last six-and-a-half years, UP has provided more than six lakh government jobs. "The data shows that Mission Rozgar being implemented by the Yogi Adityanath government has been successful. Employment has also increased in the private sector," he said. TNN
