

UPEIDA to develop wayside amenity area as charging stn

► Continued from P 1

Officials said 36 more locations have been shortlisted where the charging stations will be set up on both sides of the expressways, with maximum points being planned alongside the Purvanchal expressway.

UPEIDA will also develop a wayside amenity area to facilitate charging of all kinds of electric vehicles. Fast charging options will be provided to meet for vehicle owners looking for a quick commute via the high-speed corridors.

Uttar Pradesh Electricity Regulatory Commission (UPERC) has prescribed a base tariff in the range of Rs 7.30 to Rs 7.70

LIKELY SITES FOR EV CHARGING STATIONS

Yamuna e-way | Agra, Mathura, Jewar

Agra e-way | Mainpuri, Etawah, Kanpur and Unnao

Bundelkhand e-way | Banda, Hamirpur and Jalaun

Gorakhpur Link e-way | Gorakhpur and Ambedkarnagar

Purvanchal e-way | Barabanki, Amethi, Sultanpur, Azamgarh, Mau and Ghazipur

for kilowatt per hour. However, since the charging stations are going to be developed on public-private partnership mode, the service provider is expected to announce the final charging rates once the facilities are ready.

UPEIDA will lease the land for the charging sta-

tions at nominal rates for 10 years to the operators.

The authority has also agreed to offer assistance for behind-the-meter power infrastructure whereby it will provide power generated through solar panels or other renewable energy sources at its site to the provider.
