

39 lakh got jobs in industries, MSME depts in 1 year: Nandi

Lucknow: Cabinet minister Nand Gopal Gupta 'Nandi' on Tuesday informed the House that 39 lakh jobs were created across MSME and industries department in UP in the past one year.

He was responding to questions by legislators Man Singh Yadav and Ashutosh Sinha.

Nandi said over 6 lakh MSMEs were registered in UP as on September 30. And together they provided jobs to 38,91,062 youths. Apart from this, employment opportunities have been provided to 47,916

people in 269 units in the industries department.

In response to another question, Nandi said over 19,058 MoUs were signed during the Global Investors Summit which translated into investment proposals worth Rs 38.50 lakh crore.

He added that the target was to hold a groundbreaking ceremony with investments worth Rs 13 lakh crore. Against this goal, investment proposals worth more than Rs 7 lakh crore have been prepared for the bhoomi puja. TNN
