

MSME conclave to promote mfg sector

TIMES NEWS NETWORK

Lucknow: The state government along with Indian Industries Association will organise an MSME conclave for manufacturing sector-based entrepreneurs at Indira Gandhi Pratisthan on November 30.

Themed on industry 4.0 (fourth industrial revolution),

the conclave will help the entrepreneurs in scaling up their business to the next level.

The MSME and export promotion department has tied up with the association to discuss the needs of the industry and the latest skill set which needs to be introduced to the youths interested in ta-

king up jobs within the sector.

Chief Minister Yogi Adityanath is expected to inaugurate the conclave for which over 600 entrepreneurs have registered.

Senior executives and officials from DRDO, SBI, NSE, SIDBI and directors of premiere educational institutes

are expected to address the partici-

pants.

The association would be also hosting a food expo between December 1 and 3 in the city in which domestic and international companies which are into food product production, processing, machinery, equipment, technology are going to participate.
