

'CM has placed UP at forefront of devpt'

► Continued from P 1

At present, the state is exporting goods worth nearly Rs 2 lakh crore. The loan-deposit ratio of banks has increased from 42-43% to 56% while work is being done to increase it to 60%," he added. "P is now a revenue surplus state, with 56% of its population employed. Around 96 lakh MSMEs have been established. CM Yogi has placed UP, once considered a BIMARU state, at the forefront in the race for development," he said.
