

# Took tough decisions to change people's take on UP: Yogi

TIMES NEWS NETWORK

**Gorakhpur:** Chief Minister Yogi Aditya-

nath on Thursday said that he took several tough decisions to change the negative perception of people towards UP.

Addressing GIDA's 34th foundation day celebrations, the CM emphasised his efforts for reforms, saying, "Due to relentless and well-planned initiatives, not only has the perception about UP changed, but today entrepreneurs from across the country and the world aspire to invest in the state". During the event, the CM inaugurated and laid the foundation stones for projects worth Rs 950 crore in GIDA. He said UP's positive image was due to government's initiatives, leading to the participation of major entrepreneurs from across India and the world in Global Investors Summit in February.
