With the inauguration of the Ram Temple in Ayodhya scheduled for January 22, 2024, the city is poised for a surge in traveller numbers. Thanks to the Ayodhya airport, pilgrims will get direct access to the temple town.

IndiGo head of global sales Vinay Malhotra said: "We are delighted to an-

nounce the launch of operations from IndiGo's 86th domestic destination, Ayodhya. The new flights connecting Delhi-Ayodhya and Ahmedabad-Ayodhya will bring Ayodhya on the country's aviation map. Given Ayodhya's historical and cultural significance, our new flights will provide ease of access to the city for pilgrims as well as other tourists."
