**Lucknow:** As many as 10,441 projects worth about Rs 7.5 lakh crore received during 2023 Global Investor Summit are in the final stages of implementation, a state government spokesperson said on Sunday.

The spokesperson said that the state received invest-

ment proposals worth around Rs 4.12 lakh crore from various sources between 2017 and 2022. He said that the state government has managed to attract 29,000 investment proposals worth more than Rs 39.5 lakh crore on the Nivesh Sarathi portal.

"UP government not only

accepted investment proposals but also demonstrated its commitment to bringing them to fruition," the spokesperson said, adding that work on several projects has already started at the ground level while many others are in the final stages of the implementation. TNN
