

UP draws investment of ₹6,700 cr in six months

FE BUREAU

Lucknow, October 30

THE UTTAR PRADESH government, through its industrial development authorities, has allotted 326 plots, or nearly 426 acres of land, for projects with investment size of around ₹6,700 crore in the last six months.

The investments have the potential to generate nearly 1,35,362 jobs, authorities said. The allotments are to investors such as the Hiranandani Group, Surya Global, Hindustan

Unilever, MG Capsules, Kesho Packaging and Mountain View Technologies.

At a press conference on Friday, Infrastructure and Industrial Development Commis-

The investments have the potential to generate nearly 1,35,362 jobs

sioner Alok Tandon said, "We have ushered in many policy and institutional reforms on one hand and on the other, we have tried to simplify compliances ... Of the 80

processes selected across 15 departments, 52 have been simplified and we intend to finish the remaining by the end of March 2021," he said.
