Lucknow: The electrical work in the trans-Ganga City phase 1 and 2 and for Saraswati Hi-Tech City phase 1 and 2 will be completed by July 31 this year. This was conveyed to chief secretary RK Tiwari during a review of the project monitoring group on Tuesday,

“The chief secretary reviewed the trans-Ganga City Unnao, Saraswati Hi-Tech City Prayagraj, Plastic City Dibiya-pur and Amritsar-Kolkata Industrial Corridor projects. The civil works for for Trans-Ganga City phase 1 and 2, and for Saraswati Hi-Tech City phase 1 and 2 were completed by March 31, 2021,” said a government spokesperson.

Meanwhile, the survey for a police post at the Plastic City in Dibiya-pur has been completed and Tiwari said that police personnel should be deputed there as soon as possible. The managing director of DVNL Agra has been asked again to ensure uninterrupted power supply to the project.

During review of Amritsar-Kolkata Industrial Corridor, Tiwari was informed that for the development of the integrated manufacturing cluster, land had been identified in Kahnpur Dehat's Bhaupur village but since villagers were asking for very high compensation, the proposal had to be cancelled.
