Lucknow: Marking the 73rd Foundation Day of the state on Monday, chief minister Yogi Adityanath extended his wishes to the people of the state. He appealed to people to work together with the government and realise the dream of a safe and prosperous Uttar Pradesh.

“On January 24, 2018, under the guidance of the then Governor Ram Naikji, UP government organised the first Foundation Day celebrations for the state, marked as UP Diwas. In the past five years, the state has seen several changes and our government has worked towards making several transformations. UP has seen several ups and downs in the past 73 years but it was in 2017 that the state started on a new journey,” he said in his address.

Calling UP a state with unlimited potential, the CM said that it was with the use of the state’s youth power, its natural resources that the state is No. 2 in ease of doing business rankings, where it was ranked 12th before 2017. He added that the government had been successful in taking the state’s economy to the second position in the country. “I appeal to all 25 crore people of the state on UP Diwas to work towards making the state safe and developed,” he said.
