The e-RUPI prepaid digital voucher was developed by the National Payments Corporation of India (NPCI)

The Reserve Bank of India (RBI) on Thursday enhanced the maximum amount of e-RUPI prepaid digital vouchers from ₹10,000 currently to ₹1 lakh. RBI Governor Shaktikanta Das announced that the e-RUPI voucher can be used more than once until the amount is fully redeemed.

“To facilitate digital delivery of various government schemes to the beneficiaries, it is proposed to increase the cap on amount for e-RUPI vouchers issued by Governments to ₹1,00,000/- per voucher and allow use of the e-RUPI voucher multiple times (until the amount of the voucher is completely redeemed),” Governor Das said.
