LUCKNOW: Uttar Pradesh has recorded 16% increase in its revenue through the Goods and Services Tax (GST) in April this year as compared to April last year, as per the latest data.

The GST revenue of UP has increased from Rs 7,355 crore in April 2021 to Rs 8,534 crore in April 2022.

UP now ranks fifth in terms of total GST revenue collection among states, owing to various pro-active financial measures undertaken by the state government. UP ranks after Maharashtra, Gujarat, Karnataka and Tamil Nadu in revenue collection.

In terms of percentage of growth in GST revenue collection, UP is far ahead of Kerala, West Bengal, Chhattisgarh, Madhya Pradesh and

Jharkhand, the statistics reveal.

The state has managed to achieve the feat through effective financial management by the government.
