The chief minister has also called upon industrialists, entrepreneurs, and investors to come to the state for investment, saying that his government has come a long way in transforming the state into an investor-friendly place conducive to industrialisation.

The state's industry and infrastructure development minister Nand Gopal Gupta Nandi said that the stage is set for investment in Uttar Pradesh.

"While a number of proactive measures are firmly in place, industry feedback-based reforms are in the pipeline to attract investors in regions beyond Noida and Greater Noida," he said.
