Dear Sir

Subject: Letter of Appreciation

I am writing to you today show our appreciation towards the Invest UP team for their timely support in resolving issues with our project. We have setup a 10 Mw Solar Power Project in Hardoi District, Uttar Pradesh. The Nagar Palika was dumping garbage in front of the gate of the project. This was a major health hazard and safety concern. The garbage would catch fire and we had to call the fire brigade regularly.

We approached Invest UP team for their support. They immediately took up the matter with the local authorities and helped us resolve the issue. We would like to specially thank, the following persons:

1. Shri Arvind Kumar
2. Shri Abhishek Prakash
3. Shri Prathamesh Kumar
4. Shri Rajeev Dixit
5. Shri Syed Mazhar
6. DM Hardoi

They have been very kind and helpful and we are very thankful for their support.

Best Regards
