The company, which has presence in USA, Germany, Switzerland and India, uses AI enabled novel hypotheses across the life sciences. They claim that their methods save 50% time that goes in drug discovery. So far, they have earned more than 65 patents and are in the process of filing 125 more patents with the help of high throughput screening capabilities and biophysical characterization.

The delegation also met Business France's Asia and Pacific Area Coordinator, Jean Francois Ambrosio who expressed his intention to further strengthen Indo-French bilateral ties through partnerships in the fields of food processing, agriculture and dairy. The delegation from Uttar Pradesh also met Etienne Poirot Bordin, head of the International Commission of Confederation of SMEs (CPME) and invited them to set up industries under MSMEs in sectors like renewable energy, defence and water transportation.

Air Liquide Group Director Maxime Lambert and Risk Management Vice President Bertrand Monoi expressed their desire to invest in the field of green hydrogen in the state and also expressed their intention to expand their business in UP whereas Thomas Computing CEO Stephen Francis and Vice President International Sales Pierre Krasnewsky expressed interest in investing in IT-related laptop and tablet assembling and distribution. Maurya also invited the Country Head (India) of EDF Renewables and Total Arain

UP Investors Summit Twitter handle

(Top) Deputy chief minister Brajesh Pathak presents report of GIS roadshows held in Brazil, Argentina and Mexico, to CM Yogi Adityanath; UP Jal Shakti minister Swatantra Dev Singh with officials of Institute of Technical Education (Singapore)

to invest in the renewable energy sector in India and to GIS 2023. Roadshow in Singapore by minister for water resources Swatantra Dev Singh concluded with significant success. Ministers who returned from their journey met the CM. While deputy chief minister Brijesh Pathak met the CM on Monday, industries minister Nand Gopal Gupta Nandi had paid a visit to the CM earlier. The CM will convene a combined meeting of delegations on Thursday.

Delegation to US signs ₹4L cr MoUs

The delegation to the US led by finance minister Suresh Khanna and MLA Siddharth Nath Singh returned home on Monday. Former minister Singh took to twitter to sum up the experience. "Under the guidance of Prime Minister Narendra Modi and leadership of CM Yogi Adityanath, the UP delegation to New York and San Francisco signed MOU's of over Rs 4 lakh crores," Singh wrote with the hashtag UPGIS23. He also tweeted a picture of the entire group along with the message. It may be noted that nine delegations from UP travelled to various countries to draw investment for their state in the run-up to the UP Global Investor Summit 2023. The government has pledged to attract in investment of over Rs 10 lakh crore through the event as part of its larger vision to develop UP into \$1 trillion economy by end of 2027.
