

# UP is India's largest market, invest with us, CM tells Australian team

**Lucknow:** A delegation from Australia, led by its high commissioner to India Sarah Storey, met CM Yogi Adityanath on Friday, expressing desire to participate in the Global Investors' Summit in February 2023.

A government spokesperson said, the CM discussed the various investment possibilities in UP and the changing industrial scenario in the state. "To boost the per capita income in the state, we will like the country and the world to benefit from the immense

CM Yogi with Australia team

business opportunities available in UP. GIS-2023 will provide an integrated platform to the industrial world for co-operation in UP's economic development," he said. TNN
