

22 depts to set up stalls at GIS venue

TIMES NEWS NETWORK

Lucknow: During the February 10-12 Global Investors' Summit in Lucknow, visitors and investors will get a glimpse of the state through a massive exhibition where various departments will set up stalls and show films on the works carried out by them.

A government spokesperson said that 22 departments will be setting up stalls during the three-day event. These include Invest UP, Civil Aviation, Metro, Tourism and Culture etc.

"Each department will be provided with space ranging from 50 sqm to 250 sqm at the venue. The largest stall will be of Invest UP's and it will be set up in an area of about 250 sqm. Departments like Civil Aviation, Tourism, Urban Development and MSME have been given 200 sqm space for their stalls. Additionally, about 1,200 sqm has been reserved for partner countries," the spokesperson said.

In addition to government departments and partner countries, space will also be provided to government and private companies or partners. Till Friday, 18 such stalls had been approved for IDBI Bank, Lucknow IOT Park, HAL, IRDA, PNB, NTPC, SIDBI, SBI etc.

Sources said that films by various departments will also be screened at the exhibition area and during sessions that will be held in the summit. These films will be based on the theme of the session and will give out details of investment opportunities in the state.
