**Gorakhpur:** Chief minister Yogi Adityanath on Saturday said under the guidance of Prime Minister Narendra Modi, Gorakhpur division has moved forward with a new identity of development.

He stated that it is the responsibility of the people's representatives to stay connected with the public, discuss development works and give the proposals to the government based on requirements of the public.

Yogi further said that the state is moving forward while adopting the mantra of 3Ts—Trade, Technology and Tourism—of PM Modi. With better law and order situation and policy improvement, the state has come up as the best investment destination in the country and abroad.

“The Gorakhpur division should also get more benefits out of it,” he added.

“MPs and MLAs are the brand ambassadors of their respective areas. They should work hard to acquaint the world to the qualities of their areas,” the chief minister said, adding, “UP Global Investors Summit is being organised from February 10 and 12. Investors from across the world have been invited suc-

cessfully. Road shows are being organised in metro cities in the country to invite investors. GIS-2023 will be a historic movement with huge investment and employment opportunities.”

Stating that the people's representatives should advertise the new industrial policy of the state, the CM advised them to make use of the latest technology for the same.
