

Ahead of UP GIS, Delhi roadshow attracts proposals of ₹2.75L crore

TIMES NEWS NETWORK

Lucknow: The third domestic roadshow in Delhi ahead of the February 10-12 Global Investors' Summit, saw investment proposals of more than Rs 2.75 lakh crore come in for UP.

The delegation from UP led by industries minister Nand Gopal Gupta 'Nandi', UD minister AK Sharma and cane minister Laxmi Narayan Chaudhary, inked its largest MoU worth Rs 1.25 lakh crore with UK-based Causis Group in the

A meeting of investors in Delhi

electric vehicle sector. The company has proposed setting up an EV Tech Park to manufacture electric vehicles in UP.

This project alone is expected to directly employ almost 30,000 people.

In a pre-recorded message played at the event, Chief Minister Yogi Adityanath invited entrepreneurs to invest in UP which was prepared to "become the growth engine for a New India". The team held several business-to-government and one summit meetings through which it interacted with investors.
