## GIS teams to US, Canada bagged Lol for ₹41K cr

The global roadshow team to the US and Canada led by Assembly Speaker Satish Mahana and animal husbandry minister Dharampal Singh have brought back letters of intent for investments of as much as Rs 41,000 crore. Out of the 27 such letters of intent, eight proposals of Rs 19,265 crore have already been converted to MoUs. **P 5**

## Dedicated cells in govt depts to woo investors

Chief secretary DS Mishra on Tuesday directed concerned departments to set up investment cells to establish contact with domestic investors and address their concerns. These departments must ensure that they have contacted potential investors and held a meeting with them by January 20. **P 5**
