

# New investments likely to generate over 10,000 job opportunities in Uttar Pradesh

► Continued from P 1

Before the roadshow, the team held Business to Government (B2G) meetings with more than two dozen investors. The team briefed them about various subsidies and grants being offered by the government in various sectors to encourage investments, law and order conditions and improved in-

frastructure facilities.

Megha Engineering and Infrastructure Ltd signed an MoU for investment of Rs 15,500 crore in four categories. The first investment of Rs 10,000 crore will be in the field of infrastructure while Rs 2,000 crore will be spent on developing a Pharma City. The company will invest Rs 1,500 crore in a facility to manufacture medical equipment and Rs 2,000 crore in EV manufacturing. These projects
