

Now, roadshows in divisional HQs to woo investors

Lucknow: After targeting foreign investors and large business houses across the country, UP government will now be starting a programme to reach out to investors within the state for the February Global Investors' Summit.

UP State Industrial Development Authority (UPSIDA) has planned eight roadshows in divisional headquarters to be led by industrial development minister Nand Gopal Gupta 'Nandi'. "These roadshows will target local entrepreneurs, businesspersons and industrial groups," said a government spokesperson. TNN
