

# Yogi succeeds in drawing investment of ₹5 lakh crore for UP in Mumbai

## Jio Centre to open in every district to improve health services with the help of AI

LOKMAT NEWS NETWORK  
MUMBAI

Chief Minister Yogi Adityanath, who came to the country's financial capital Mumbai to invite Indian industry for the Uttar Pradesh Global Investors Summit, has returned to UP with investment proposals worth more than ₹5 lakh crore.

Reliance Industries chief Mukesh Ambani has proposed big investments in electronics manufacturing and green energy sectors, including providing 5G internet connectivity across UP and better health services to villages in Uttar Pradesh with the help of artificial intelligence, whereas Adani Group has shown interest in setting up medical colleges in Ballia and Shravasti on PPP model and a skill development centre with a capacity of 10,000 youths in Noida.

Over two dozen industrialists including Reliance, Tata Sons, Adani, Godrej, Birla, Piramal, Vedanta, Parle, Hinduja, Lodha and Ramky met the Chief Minister during his two-day visit to Mumbai to appeal to them to join the \$5 trillion vision of Prime Minister Narendra Modi.

Karan Adani of Adani Group discussed the action plan for major investment in the warehousing and logistics sector with several proposals for investment worth lakhs of crores of rupees in the next

**“**You must have seen that before 2017, there used to be riots every other day, now the law and situation in the state is very strong. We formed an anti-land mafia task force and vacated over 64,000-hectare land from their clutches. Our team has already visited 16 countries and 21 cities, inviting investors to come and visit the UP Global Investor Summit 2023. We have already garnered ₹7.12 lakh crore investment intent for the state.
