The UP Government organised the Lucknow Roadshow on Wednesday as part of its mission to develop the State into a \$1 trillion economy by holding the Global Investors Summit from 10 to 12 February in the Capital City.

Leading industrialists from the country and abroad, took part in the roadshow while 79 of them signed Memorandums of Understanding (MoU) worth Rs 76,000 crore with the State Government.

State Industrial Development Department Minister, Nand Gopal Gupta Nandi addressed the eminent industrialists in the programme and discussed with the entrepreneurs, the changes that have taken place in the State during the last 5 years. He further focussed the investment-friendly policies of the Yogi Government.
