TOI

Lucknow: Part of the Italy delegation which participated in the GIS summit, an adhesive and chemical products company Mapei gave a commitment to Chief Minister Yogi Adityanath that it will develop an extension centre at the company's Mathura production plant this year.

Chief executive officer of the company Sanjay Bhalla said, "We also told the CM and senior officials that the online tools NiveshMitra and Nivesha Sarthi are extremely helpful for international investors.

"The quick turnaround time and transparency of the UP government has

Members of Italian delegation present a memento to CM Yogi Adityanath on Monday

prompted us to expand our operations and hence we would open an extension centre at our Kosi Kalan plant in Mathura."

Set up in July last year, the extension centre at Mathura will develop business and investment opportunities amounting to more than Rs 100 crore in the current year.
