Lucknow: The Meerut division has emerged as the area which garnered the most attention during the recently concluded Global Investors Summit, getting the highest amount of investments among all divisions. The Azamgarh division received the least number of investment proposals.

Sharing this data, a government spokesperson said that over 19,000 MoUs were signed during the summit which brought in investment proposals of over Rs 33.50 lakh crore. The proposed employment generation through these investments is over 93 lakh jobs.

“In terms of investment, Meerut, Lucknow, Agra,

Jhansi and Varanasi are among the top five divisions where the highest amount of investment proposals have been received. Bundelkhand and Purvanchal, once considered the most backward areas of UP, have outshone other regions in terms of investment,” the spokesperson said.

He added that while the Jhansi division is in the top five in terms of investment proposals, Chitrakoot division is included in the top ten divisions. Similarly, in the Purvanchal region, the Varanasi division is at the fifth position and the Gorakhpur division is at number six.

He said that investment proposals of Rs 4,58,648 crore have not even been classified as per divisions so far.
