

Students experience AI solutions

TIMES NEWS NETWORK

Lucknow: Students of GD Goenka School visited the G-20 Summit at 'The Centrum' on Tuesday to witness India's largest three-day exhibition on G-20 first Digital Economy Working Group.

They had the privilege to meet and interact with Amitabh Kant, presently India's G-20 Sherpa. They got an opportunity to experience the immersive and virtual reality backed by the ambit of Artificial Intelligence. The showcasing of virtual realities and artificial intelligence and innovative solutions such as ASK AI, ASK GITA, AI Chess, AI, explained their significance in our daily lives.
