

Music events to welcome GIS guests

TIMES NEWS NETWORK

Lucknow: The state government is planning a cultural soiree for the inaugural evening of the Global Investors Summit on February 10, in which many leading artistes of the country will perform.

The cultural programme will not only entertain domestic and foreign investors, but also introduce them to Uttar Pradesh's rich cultural and spiritual heritage. Similar cultural programmes will be held later at the cultural pandal set up at the Tent City at the end of various sectoral sessions. Around 500 artistes will perform in these events.

A government spokesman said that the objective of the government was not just to inform the investors about the favorable environment for industries in the state and the benefits they would get through its various policies, but also to connect them with the culture and spirituality of Uttar Pradesh through these programmes.
