this year had received proposals worth Rs 15.42 lakh crore. Similarly, the total worth of MoUs signed at Rajasthan investors summit in October last year was approximately Rs 11 lakh crore. UP's first investors summit in 2018, logged Rs 4.85-crore proposals.

Speaking at the valedictory ceremony of the event on Sunday, President Murmu congratulated CM Yogi Adityanath for holding a very successful summit saying she was glad to note that many countries showed their interest in the growth and development of the state. The CM said that the investment generated at the GIS would be able to create more than 93 lakh jobs.

At the inaugural ceremony, Yogi had announced that the total value of MoUs signed by the state government was Rs 32.9 lakh crore on the basis of proposals received during roadshows held in 16 countries, eight states in India and all 75 districts of the state. But several big proposals, notably by RIL chief Mukesh Ambani and Aditya Birla Group chairman Kumar Mangalam Birla, were announced. "UP, which is at the top population wise, is also the first in the country in economic contributions. I appreciate farmers and entrepreneurs of the state for this. To play the role of India's growth engine, UP is 'saksham' (capable) and 'taiyyar' (ready)," Murmu said.
