

UTTAR PRADESH

MEDICAL EDUCATION SECTOR

**SCHEME FOR
GOVERNMENT SUPPORT
TO PRIVATE INVESTMENT IN
DEVELOPMENT OF
MEDICAL COLLEGE IN
UNSERVED DISTRICTS**

Handwritten signature or mark.

Chapter 1: Introduction

1.1. Background

Government of Uttar Pradesh ("Government") has been focused on ensuring improvements in the healthcare sector. The efforts of the Department of Medical Education have been at the forefront of initiatives. This is evident from the fact that there were only 17 (seventeen) medical college & hospital prior to 2016 whereas the state today has only 16 (sixteen) unserved districts (Appendix 1) left in terms of planning & development of medical college and hospital.

The Government is committed to ensure medical college in every district of Uttar Pradesh to provide quality healthcare and to meet the shortage of qualified medical doctors, both general practitioners as well as specialists. While presenting the budget for FY 2021-22, the Government of Uttar Pradesh announced that medical college & hospital shall be constructed in the 16 (sixteen) unserved districts on Public Private Partnership (PPP) mode. The Central Government while presenting the budget for FY 2020-21 also announced to support the development of medical college & hospital on PPP by leveraging the existing district hospitals.

Whereas in this regard the Government recognises that setting up of Medical College & Hospital requires large investments and recruitment of human capital, which can also be efficiently done with private sector participation to bring techno-managerial efficiencies associated with it. Therefore, the Government desirous of developing medical college & hospital infrastructure with private sector participation in the sixteen unserved districts.

1.2. Models for Private Sector Investment in Medical College & Hospital Development

In this regard, two-pronged approach has been conceived by the Government. The private sector may be involved through investment policy route or through facilitation from the Viability Gap Funding (VGF) scheme of Government of India. This policy document details the investment policy route for private sector participation (Models detailed in the Figure below).

Satyam

The Government shall provide such fiscal and/or non-fiscal incentives and/or other support ("Support") as described in this document to incentivize private sector to set up medical college & hospital facilities in accordance with this Policy.

Now, therefore, the Government has decided to put into effect the following scheme ("Scheme") for providing Support to private sector entity for undertaking development of the Medical Colleges in such unserved Districts. The State Government of Uttar Pradesh has accordingly notified this Scheme for Support to Private Sector Entity for undertaking development of medical college & hospital. This Scheme envisages three Modes of engaging private sector entity. They are being dealt with individually in subsequent chapters of this Scheme.

1.3.Short Title and Extent

This Scheme will be called the Scheme for **Government Support to Private Investment in development of Medical College in Unserved Districts**. Suitable budgetary provisions will be made in the Annual Plans on a year to year basis. The Scheme shall come into force from such date as is notified by the Government.

1.4.Basis of Benefits

The Scheme aims to bring synergies, as may be applicable, from various schemes such as U.P. Industrial Investment & Employment Promotion Policy-2017; and Promulgation of Micro, Small & Medium Enterprise & Export Promotion Policy-2017 for the investors in the medical college and hospital projects. It also brings in leading practices across the country to ensure financial viability of the projects.

1.5.Implementing Agency

The Director General Medical Education ("DGME") shall be responsible for implementation of the Scheme, once notified. The stepwise procedure to be followed for submission, appraisal and approval of financial support under this Scheme, along with respective application format for each Mode are specified Appendix 2. Approval under this Scheme shall be for the purposes of this Scheme only. All other statutory, financial or administrative approvals shall be obtained as applicable from the relevant competent authority.

1.6.Eligible Entities Under the Scheme

The Scheme will apply only to the project sponsored and proposed by Private Sector Entity ("PSE"). For the purposes of this Guidelines, a PSE shall mean an University or a society registered under the Societies Registration Act, 1860 (21 of 1860) or corresponding Acts in other States or a public religious or charitable trust registered under the Trust Act, 1882 (2 of 1882) or the WAKFS Act, 1954 (29 of 1954); an autonomous body promoted by Central or State Government by or under a Statute for the purpose of medical education; or a company registered under the Companies Act, 2013, or any Consortium of eligible entities.

[Handwritten Initials]

Chapter: 2 Mode A (Private Hospital and Private land)

2.1 Description

Under this mode, The PSE shall bring in own operational Hospital, adequate land for setting up of Medical College and all requisite assets for setting up of a Medical College of not less than 100 undergraduate seats, as per applicable norms.

2.2 Key Role of Parties

- i. PSE shall own an operational Hospital to be eligible under this mode. PSE would also be required to undertake any augmentation of infrastructure and manpower and meet minimum occupancy requirements in accordance with regulatory requirements including NMC Guidelines related to minimum hospital capacity for commencing medical college operation.
- ii. The PSE shall also own the required land for developing the medical college
- iii. Under this Mode of development, the PSE shall be eligible for such fiscal and/or non-fiscal incentives as are set forth in section 2.3 of this Scheme.
- iv. Government upon application submitted by PSE as per Appendix 3 decide to grant the fiscal / non-fiscal in accordance with section 2.3 of this Scheme
- v. PSE shall ensure to augment and equip its existing hospital as per NMC guideline, increase additional capacity of beds and set up Medical College at its own cost within two years of the final approval from the Government, in case of failure or delay Authority may rollback the entire or part of fiscal and non-fiscal incentives under this Scheme in its sole discretion.

2.3 Fiscal and Non-Fiscal Incentives

The PSE shall be eligible for the following Support as sought by it:

S.No.	Parameter	Condition	Description
1.	Interest subsidy	Interest subsidy of 5% out of the Interest Rate (IR) on the capital cost for upgradation, funded from scheduled bank for a moratorium period of 5 (five) years, subject to maximum ceiling of Rs 1 (one) Crore per annum per Medical College.	Payable at the end of the year on furnishing the Bank/lender certificate. <i>[Illustration: if IR is 9% then 5% will be borne/reimbursed by Govt and balance 4% will be borne by PSE]</i>
2.	Assistance per seat	Assistance of Rs 5 (five) lakhs per seat per year in M.B.B.S. course for a maximum period of 5 (five) years of each batch, subject to maximum of Rs 25 (twenty five)	Yearly amount payable biannually at the start of each year, on furnishing certificate in regard to

S.No.	Parameter	Condition	Description
		lakhs per student and applicable for first and second batch only.	student from Medical College Registrar.
3.	100% exemption of conversion of land	Conversion will be related to the said project and will be granted one time only.	The exemption will be granted only in the name of the PSE.
4.	Exemption on stamp duty as per extant UP Industrial Policy	-	The exemption will be granted only in the name of the PSE.
5.	Other incentives	As per the extant policies by respective department	The exemption will be granted only in the name of the PSE and shall be taken from the respective departments.

2.4 Patient Fee

The PSE shall be entitled to charge at market rates for Outpatient and Inpatient services (including day services and any other services) directly from the patients subject to regulatory and policy provisions including those under NMC Act.

2.4 Patient Fee

The PSE shall be entitled to charge at market rates for Outpatient and Inpatient services (including day services and any other services) directly from the patients subject to regulatory and policy provisions including those under NMC Act.

**Chapter: 3 Mode B (Private Hospital with Government Providing Land for
Medical College Infrastructure)**

3.1. Description

Under this mode, the Government shall provide land on lease to the private partner for setting up of the Medical College. The Private partner shall bring in an operational Hospital for setting up a Medical College with not less than 100 undergraduate seats.

3.2. Key Role of Parties

- I. PSE shall own an operational Hospital to be eligible under this mode: PSE would also be required to undertake any augmentation of infrastructure and manpower and meet minimum occupancy requirements in accordance with regulatory requirements including NMC Guidelines related to minimum hospital capacity for commencing medical college operation.
- II. Under this Mode of development, the PSE shall be eligible for such fiscal and/or non-fiscal incentives as are set forth in section 3.3 of this Scheme.
- III. Subject to the lease conditions and other applicable norms, the PSE shall be entitled to run and operate the hospital and medical college set up by it as per its commercial wisdom and good industry practices.
- IV. The Government would grant a lease of the land for a period of 33 years extendable for another 33 years automatically against an annual lease rental of INR 01 (one). The extension shall be automatic, provided the medical college and hospital has an approval from NMC to undertake the continued operations of the medical college as on the date of the application to DGME and the DGME confirms such extension in the manner set out hereafter. The PSE shall submit an application to DGME not later than the anniversary of the 30th year of lease to the DGME. DGME shall confirm the extension of lease within 90 days. In the event that DGME has any concern regarding the automatic renewal, it shall respond to the letter within 90 days of receiving the Application asking the PSE to cure the defect identified by DGME within 90 days from the receipt of the Application. Upon receiving confirm of cure, DGME shall convey its concurrence or otherwise to the extension. The Stamp Duty on the lease shall be exempted at the time of renewal.
- V. Hand back the leased land along with the infrastructure created on the land at the end of the term, either by efflux of time or early termination. For avoidance of doubt, it is clarified that the hospital owned by PSE shall not be handed back.
- VI. The Government shall while making available land for Medical college comply with distance or travel time norms with regard to two plots.
- VII. Government to construct hospital so as to seamlessly use the medical college that is handed back by PSE at the end of the term of contractual arrangement.
- VIII. The PSE shall comply with NMC norms to provide subsidized treatment in teaching beds and empanel itself under Ayushman Bharat Scheme
- IX. PSE shall ensure to augment and equip its existing hospital as per NMC guidelines, additional capacity of beds and Medical College at its own cost within two years of the final approval from the Government, in case of failure or delay Authority may roll back

S. J. Srinivas

the entire or part of fiscal and non-fiscal incentives under this Scheme in its sole discretion.

3.3.Fiscal and Non-Fiscal Incentives

The PSE shall be eligible for the following Support as sought by it:

S.No.	Parameter	Condition	Description
1.	Expansion subsidy	Allotment of land at INR 01 (one) of annual lease rent	-
2.	Interest subsidy	Interest subsidy of 5% out of the Interest Rate (IR) on the capital cost for upgradation, funded from scheduled bank for a moratorium period of 5 (five) years, subject to maximum ceiling of Rs 1 (one) Crore per annum per Medical College.	Payable at the end of the year on furnishing the Bank/lender certificate. <i>[Illustration: if IR is 9% then 5% will be borne/reimbursed by Govt and balance 4% will be borne by PSE]</i>
3.	Assistance per seat	Assistance of Rs 2 (two) lakhs per seat per year in M.B.B.S. course for a maximum period of 5 (five) years of each batch, subject to maximum of Rs 10 (ten) lakhs per student and applicable for first and second batch only.	Yearly amount payable at the start of each academic year, on submission of the records of the admission of student in the Medical College.
4.	100% exemption of conversion of land	Conversion will be related to the said project and will be granted one time only.	The exemption will be granted only in the name of the PSE.
5.	Exemption on stamp duty as per extant UP Industrial Policy		The exemption will be granted only in the name of the PSE.
6.	Other incentives	As per the extant policies by respective department	The exemption will be granted only in the name of the PSE and shall be taken from respective departments.

3.4.Patient Fee

The PSE shall be entitled to charge at market rates for Outpatient and Inpatient services (including day services and any other services) directly from the patients subject to regulatory and policy provisions under NMC Act.

Signature

Chapter 4: Mode C (Leverage District Hospital with Private Sector Land)

4.1 Description

Under this mode, the Government shall provide an existing district hospital on lease to the PSE on "as is where is" basis. The PSE shall have the obligation to bring adequate land parcel in accordance with the extant regulations for the development of medical college infrastructure notified by National Medical Commission (NMC), a body constituted by Central Government under National Medical Commission Act, 2019 from time to time.

4.2 Key Roles of Parties

- A. The Government would enter into a contractual arrangement ("Agreement") whereby lease of relevant District Hospital facilities would be provided to PSE for a minimum period of 33 years. The lease consideration shall be INR 1 (One) per year. The Agreement shall contain and stipulate such other conditions that PSE is required to abide by, which shall inter alia include the requirement of making available dedicated built up area in the Hospital to Director General Health Services ("DGHS") for discharging administrative functions including but not limited to technical and administrative support for primary health care and various disease control programs. For this purpose, the DGME would consult and coordinate with DGHS and handover appropriate built up area not later than 180 days from the date of commencement of the Agreement.
- B. PSE shall augment the capacity of the existing hospital and construct the medical college infrastructure in accordance with the standards prescribed by the NMC from time to time.
- C. The Government shall also withdraw existing personnel (other than those funded through National Health Mission) from the hospital in a phased manner over 2 (two) years in a manner prescribed in this clause.
- a. At the end of first year, 50% of the personnel shall be withdrawn (except for contractual staff funded under National Health Mission) while at the end of second year all the personnel shall be withdrawn by the Government. Private sector shall bring in their own personnel to operate the medical college & hospital.
- b. Contractual staff (other than those funded through National Health Mission) shall be given the option to novate their contracts in favour of PSE. In the event that the contractual staff decides to continue their contract with the Government only, such staff shall be allocated (on contract) to provide services in other district hospitals of the state, taking into consideration the respective hospital's requirements.
- c. Staff, who are regular employees of the Government, shall be transferred to other district hospitals as per the human resource requirements of those hospitals.

- d. The Government shall also provide services of the contractual staff funded through National Health Mission in the hospital (leased to PSE) as per the existing contractual arrangements between the Government and the staff. Administratively, these staff shall work with the PSE on day-to-day basis. Any issues related disciplinary action shall be informed to DGME by PSE who in turn shall inform DGHS for appropriate actions.
- e. In the event that the existing contracts (referred in 4.2.(C).(d) above) get over by efflux of time or National Health Mission discontinues providing such services as the hospital has been leased out for medical college purposes, there shall be no additional obligation for the Government to provide any staff during the term of the Agreement.
- D. Under this Mode of development, the PSE shall be eligible for such fiscal and/or non-fiscal incentives as are set forth in Section 4.3 of this Scheme.
- E. The PSE shall make available at least 500 (five hundred) square metre constructed area (including finishes, electrical work, water connecting, plumbing, sanitation, and civil work etc.) in the District Hospital to DGHS for discharging administrative functions including but not limited to technical and administrative support for primary health care and various disease control programs to be performed by the Government human resources. The Government shall be responsible for the furnishing cost and operational cost for maintaining the 500 sqm designated area.
- F. PSE shall hand back the functional District Hospital to the Government at the end of the term, either by efflux of time or early termination on as is where is basis.
- G. PSE shall ensure to augment and equip the District Hospital, additional capacity of beds (save an except stated otherwise elsewhere in this chapter) and Medical College at its own cost within 3 (three) years of the final approval from the Government, and in case of failure or delay, Authority may rollback the entire or part of fiscal and non-fiscal incentives under this Scheme in its sole discretion.

4.3 Fiscal and Non-Fiscal Incentives

The PSE shall be eligible for the following Support as sought by it under the Scheme:

S.N.	Parameter	Condition	Description
1.	OPD Consultation and related diagnostic Fee	Rs. 100/- per OPD consultation and related diagnostics (please refer to Appendix 7) to be reimburse by Government of UP on yearly basis for the contract period. There will be no fee to be charged from the patients	Payable at the end of the year subject to AADHAR Card Authentication by the PSE for each OPD consultation and related diagnostics (no OPD consultation fee shall be payable for repeat OPD consultation within 7 days of previous paid OPD and free diagnostic shall be as provided in

[Handwritten signature]

[Handwritten initials]

S.N.	Parameter	Condition	Description
		visiting the District Hospital for OPD consultation and related diagnostic service as provided in Appendix 7. Subject to a maximum yearly payment of Rs. 2 Cr p.a. This capping shall be increased by 3% every year towards free OPD consultation and related diagnostics.	Appendix 7). AADHAR Card Authentication shall be done by PSE for each patient visiting the District Hospital. In case any of the patient doesn't have AADHAR Card, the same shall be confirmed by the Officer deployed by the Health Department / Medical Education Department. For avoidance of doubt it is clarified that no patient shall be denied for the services available in the District Hospital and Medical College related to OPD consultation and diagnostic services (as provided in Appendix 7).
2.	Interest subsidy	Interest subsidy of 5% out of the Interest Rate (IR) on the capital cost for upgradation, funded from scheduled bank for a moratorium period of 5 (five) years, subject to maximum ceiling of Rs 1 (one) Crore per annum per Medical College & Hospital	Payable at the end of the year on furnishing the Bank certificate. <i>[Illustration: if IR is 9% then 5% will be borne/reimbursed by Govt and balance 4% will be borne by PSE]</i>
3.	Equipment subsidy in priority districts	20% (twenty) of the purchase price of equipment, subject to maximum of 10 (ten) Cr. The equipment subsidy shall be provided for the equipment purchased according to the "Minimum Standard Requirements for the Medical College (For 100 Admissions Annually), 1999 (as amended from time to time)"	Payable on furnishing the original procurement receipt/bill and payment proof. However, in case of hire purchase/financial lease the amount shall be limited to 20% of the periodic amount paid to the lessor.
4.	Assistance per seat in priority districts	Assistance of Rs 3 (three) lakhs per seat per year in M.B.B.S. course for a maximum period of 5	Yearly amount payable biannually at the start of each year, on furnishing certificate in regard to student from Medical College Registrar.

[Handwritten signature]

S.N.	Parameter	Condition	Description
		(five) years of each batch, subject to maximum of Rs 15 (fifteen) lakhs per student and applicable for first and second batch only.	
5.	100% exemption of conversion of land	Conversion will be related to the said project, and will be granted one time only.	The exemption will be granted only in the name of the PSE.
6.	Exemption on stamp duty as per extant UP Industrial Policy	-	The exemption will be granted only in the name of the PSE.
7.	Other incentives	As per the extant policies by respective department	The exemption will be granted only in the name of the PSE and shall be taken from respective departments.

4.4 Patient Fee

- A. Up to the capacity handed over to the private partner and 20% (twenty percentage) of all the remaining beds above the said capacity, PSE shall provide Inpatient services free of cost ("Free Patients") available at District Hospital and Medical College; however for patients covered under health insurance schemes (including but not limited to Prime Minister Jan Arogya Yojana (PM-JAY) and state health insurance scheme and any other patient as identified by the Department of Health from time to time) the PSE may charge as per the provisions of the relevant insurance scheme. For this purpose, the hospital shall empanel itself under the insurance scheme(s) in force in the state.
- B. PSE shall operate the additional capacity created in the hospital as per its commercial wisdom
- C. The PSE shall provide Outpatient Consultation available in District Hospital and Medical College free of cost to the patients and Government of Uttar Pradesh shall reimburse the same as indicated in Section 4.3(1). Registration fee shall be as charged in the district hospitals elsewhere in the state. For the OPD diagnostic services mentioned in Appendix 7 (expected to be available in District Hospital as per IPHS standards), the PSE shall provide free of cost services to the patients. In this regard the Government shall reimburse INR 100 per OPD patient towards consultation and diagnostics (as mentioned in Appendix 7) as mentioned in section 4.3 above.
- D. Existing National Health Programs (such as Dialysis, CT Scan, MRI, Radiology) operating out of the hospital shall continue to be provided to the beneficiaries as per the

[Handwritten Signature]

[Handwritten Signature]

respective contractual arrangements and extant regulations under the national health programs. This may include services mentioned in Appendix 7. In the event that any of the diagnostic services mentioned in Appendix 7 are being covered under existing National Health Programs, the PSE shall not be obliged to provide such services till such programs are functional in the medical college & hospital. Upon closure of such programs due to completion of national health programs contract by efflux of time or otherwise, the PSE shall provide such services to the patients (identified in Appendix 7) without any cost to the patient. For avoidance of doubt, it is clarified that the per patient reimbursement to PSE shall not be altered due to any changes in the obligations described under this section.

Save and except any diagnostic services mentioned in Appendix 7, post expiry of the existing contract and / or fiscal support not being extended by Centre or State Government, the PSE may decide to continue or otherwise to provide these services as per the regulatory requirements. In the event that no national health programs is being implemented and / or no fiscal support extended by Centre or State Government, the PSE shall be allowed to charge for these diagnostics services (save and except those diagnostic services mentioned in Appendix 7) at applicable rate (as amended from time to time) of King George Medical University, Lucknow for the respective services.

For avoidance of doubt it is clarified that the PSE shall not charge any fee from the beneficiaries / patients for the diagnostic services under national health programs for which the fiscal support is being extended under Centre / State Government scheme described under this section.

Patients covered under health insurance schemes (including but not limited to Prime Minister Jan Arogya Yojana (PM-JAY) and state health insurance scheme and any other patient as identified by the Department of Health from time to time) shall continue to receive services as per the eligibility and payment mechanism under the Prime Minister Jan Arogya Yojana (PM-JAY) and state health insurance scheme.

- E. The Government shall provide drugs which are listed under national list of essential medicines, free of cost to the Patients covered under health insurance schemes (including but not limited to Prime Minister Jan Arogya Yojana (PM-JAY) and state health insurance scheme and any other patient as identified by the Department of Health from time to time) in the outpatient care case. For this purpose, the Government may utilize part of the space provided to DGHS to open a Government Pharmacy. For other medicines, the patients shall be required to buy from the market.

[Handwritten signature]

Chapter 5: Model 2 (Leverage Viability Gap funding - Government of India)

Projects under this Model shall be implemented as per the Guidelines for Financial Support to Public Private Partnership in Infrastructure, Viability Gap Funding Scheme, 2020 (and as may be amended from time to time) and Guidelines for Selection Consultants & Developers for PPP Projects in Uttar Pradesh – 2016 (Amended).

Please refer to Appendix 6 for incentives under VGF Scheme (for illustration purpose only).

S. S. S. S.

R. S. S.

Chapter: 6 Miscellaneous

- A. The Government may at any time and from time to time undertake regular monitoring and periodic evaluation of Project compliance so as to ensure that the District Hospital or the land parcel that is leased to PSE is being used in full compliance with applicable laws and purpose; and/or the Incentives that is provided under this Scheme is utilised towards the intended purpose only.
- B. In case of violation of this Scheme in any manner, Government may decide to revoke the unutilised Support and terminate the arrangement in respect of District Hospital or the allotted land for setting up Medical college, as the case may be. In such case, the PSE shall be liable to refund all incentives provided by Government till date of termination, along with interest thereon at the rate of SBI MCLR for the relevant period from date of disbursement/utilisation till date of termination.
- C. Trauma and accident cases shall be dealt as per the extant applicable laws.
- D. This Scheme is in supersession of all other schemes, if any, issued in connection with development of Medical college by Private Sector Entity. For avoidance of doubt, it is clarified that any scholarship scheme being run by any Government department shall continue to be applicable to the students of this medical college and hospital as well and shall have no relationship with the "Assistance per seat" being granted under this policy.
- E. Department of Medical Education, Government of Uttar Pradesh may issue appropriate guidelines for implementation of the Scheme from time to time.
- F. In case, two or more PSE's express interest for a specific district for implementation under the same mode, then limited tender process shall be undertaken wherein each PSE shall be given one week's time to submit in a closed envelope, the discount on the per seat assistance that it offers the Government against the amount specified in the respective Incentive sections, as applicable. The PSE offering higher discount as a percentage shall be chosen for disbursement of the Support.
- G. The PSE will not alienate or dispose through any device or arrangement, the District Hospital or the Government land leased to PSE under this Scheme.
- H. The PSE will not sub-lease the District Hospital or Government land without procuring prior written approval of Government.
- I. Priority of Proposals: The PSEs are encouraged to submit the proposals under any of the three Modes envisaged in this policy. The Government while making a decision shall keep the following priority, which has been arrived at considering the larger public interest of early implementation of the project, minimum disruption of public health services under district hospitals and administrative ease of implementation:
- I. Proposals received under Mode A (private sector bringing land for medical college and the hospital) shall be given priority over all other proposals (i.e. proposal received under Mode B or Mode C).
- II. Proposals received under Mode B (private hospital with government land for medical college) shall be given priority over proposal received under Mode C (district hospital

[Handwritten signature]

[Handwritten initials]

- leased by the Government and private sector bringing the land for medical college infrastructure)
- III. In the event that the Government is unable to identify requisite land or provide district hospital as the case may be, the corresponding mode of implementation shall be considered as infeasible and the proposals received under such modes shall not be considered.
- IV. In the event that the applications are invited under the policy and there are no interested parties for a specific district, the Government may invite applications under VGF scheme of Government of India for such districts.
- J. The regulations related to implementation of project under Model 2 (Viability Gap Funding) shall be as per the extant policies prescribed by the Government of India. The treatment of sole bid shall be the same as prescribed in "Guidelines for Selection of Consultants & Developers for PPP Projects in Uttar Pradesh-2016" as amended from time to time.
- K. The Student fee chargeable from students of the medical college developed under this scheme, will be as per the fee fixed by Admission and Fee Regulatory Committee (AFRC), Uttar Pradesh in line with NMC regulations read with state laws. Accordingly, fee for 50% of sanctioned intake will be fixed as per NMC guidelines and remaining as per state laws.
- L. An agreement shall be signed between the PSE and the DGME detailing the obligations of each party as envisaged in this policy. Also, the agreement may have the provisions related to key performance indicators, project milestones, and penalty for PSE. The provisions of the Agreement shall be approved by the PPP Bid Evaluation Committee (PPPBEC).

Chapter -7: Timeline for consideration at the various levels of Government:

The Government shall endeavour to adhere to the following timelines in connection with submission, appraisal and approval of the application received from PSE under this Scheme.

S.N.	Activities	Weeks						
		1	2	3	4	5	6	7
1.	Date of application submission at the DGME office (T0)							
2.	Appraisal of submitted application by PAC							
3.	PAC may seek clarification, if required							
4.	Response to clarification from PSE							
5.	Application evaluated by PAC along with clarification (if any)							
6.	If application rejected by PAC, PSE to be informed							
7.	PAC submits evaluation report along with application to PPPBEC for approval							
8.	Final approval or rejection by PPPBEC

Appendix- 2

Step Wise Process Flow

Sequential process for approval/rejection of application submitted by PSE under this Scheme as per the timelines depicted in the table at Chapter-6:

1. Submission of application by the interested PSE for Mode A: (as per Appendix- 3) or Mode B: (as per Appendix- 4) or Mode C: (as per Appendix 5), as the case may be.
2. The appraisal of the application submitted shall be done by the Proposal Appraisal Committee (PAC) chaired by Director General of Medical Education (DGME):
 - (a) The PAC will comprise of the following:
 - a. Chairperson – DGME, Directorate of Medical Education & Training, Government of Uttar Pradesh
 - b. Member – Financial Advisor, Directorate of Medical Education & Training, Government of Uttar Pradesh
 - c. Member –Nominee, Department of Legal affairs, Government of Uttar Pradesh
 - d. Any other member as may be invited by the DGME

1. (b) The PAC will evaluate the application and if required can seek clarification/comments for any deficiency or shortfall from the PSE on the application.

2. (c) The PSE shall respond to the clarification/comments sort by the PAC within one week from date of issuance of clarification.

3. The PAC may reject the application, if in PAC's reasonable estimation the applicant does not meet any eligibility or has not responded satisfactorily to the clarification sought.

4. The rejection by PAC shall be informed to PSE within two weeks from the date of receipt of response to clarification sought. Such rejects shall also be presented to PPPBEC for approval.

5. Once the PAC is satisfied with the application submitted by the PSE along with the response to the clarification (if any), will submit the application to the PPP Bid Evaluation Committee (PPPBEC) for final approval or rejection for all the three Modes. The PPPBEC will comprise of the following members as defined under 'Guidelines for Selection of Consultants & Developers for PPP Projects Uttar Pradesh – 2016 (as amended from time to time)'.

- a. Chairperson – Principal Secretary/ Secretary, Medical Education [PS (ME), Government of Uttar Pradesh]
- b. Member – Principal Secretary/Secretary, Finance Department
- c. Member – Principal Secretary/Secretary, Law Department,
- d. Member - Principal Secretary/Secretary, Planning Department

Satyam

- e. Member - Principal Secretary/Secretary, Infrastructure and Industrial
- f. Convener – Secretary, Medical Education Department
- g. The PPPBEC may co-opt representatives of one or more relevant Departments as may be deemed necessary.
6. If sole interest is received for any of districts under Mode A/ B/ C, then the PPPBEC may submit the received proposal with its recommendations after due consideration of the proposal to Government of Uttar Pradesh for approval of the competent authority as per the extant policy on single tender defined under '*Guidelines for Selection of Consultants & Developers for PPP Projects Uttar Pradesh – 2016 (as amended from time to time)*'.
7. The PSE shall be informed about the final approval/rejection by the PPPBEC of its application within two weeks from the date of receiving the evaluation report along with the application from PAC.
8. Post, selection of PSE, an agreement shall be signed between the PSE and Directorate of Medical Education covering the provisions of this policy.

Application for Mode B

(Format of Application: For development of Medical College in State of Uttar Pradesh)

To,

Director General, Medical Education,
Directorate of Medical Education, Uttar Pradesh
Jawahar Bhawan, 6th Floor, Ashok Marg, Lucknow, Uttar Pradesh 226001

Subject: To provide facility/Incentives "For development of Medical College in State of Uttar Pradesh for unserved districts".

Details of the Project for availing benefits under for development of Medical College in State of Uttar Pradesh for unserved districts are as follows: -

District Name:

Name of Private Sector Entity (PSE):

3. Name of Hospital:

Name of the Hospital	No. of Beds	Address	Year of Establishment/Operation

4. Areas:

Name of the Hospital	Plot Area (sq m)	Building Footprint (sq m)	Built-up Area (sq m)	FAR (if applicable)	Area of each floor	Attached Building Plan (Yes/No)
					Gr- 1 st 2 nd 3 rd 4 th

Application for Mode- C

(Format of Application: For development of Medical College in State of Uttar Pradesh for unserved districts)

To,

Director General, Medical Education,
Directorate of Medical Education, Uttar Pradesh
Jawahar Bhawan, 6th Floor, Ashok Marg, Lucknow, Uttar Pradesh 226001

Subject: To provide facility/Incentives "For development of Medical College in State of Uttar Pradesh for unserved districts".

Details of the Project for availing benefits under for development of Medical College in State of Uttar Pradesh for unserved districts are as follows:

1. Name of Private Sector Entity (PSE) :
2. Name of the Project and Place. :
(Name of the District Hospital)
3. Proposed land area for Medical College, give details. :
4. Is it vacant land or any existing built up-area on the proposed land area, give details. :
5. Will you utilise the existing built-up area to meet the minimum standard required for establishment of Medical College? If yes, demonstrate with required details as per the regulation. :
 1. Name of the Project and Place
 2. Distance of the proposed Land Area for Medical College from the District Hospital
 3. Proposed Land Area for Medical College
 4. Ownership/Lease over the proposed Land Area for Medical College, give details.
 5. Is it vacant land or any existing built up-area on the proposed land area, give details.
6. Encumbrances or litigation over the title/ownership of the proposed Land Area :
meet the minimum standard required for establishment of Medical College as per regulation.

Incentives under VGF Scheme (Applicable for Model 2)
(As per Notification dated 7th December 2020)

For Social Sector Projects:

The total Viability Gap Funding under this Scheme shall be as follows:

Sub-scheme 1	<p>This includes Water Supply, Solid Waste Management, Waste-Water Treatment, Health and Education etc.</p> <p>The amount of VGF under this scheme shall be equivalent to the lowest bid for capital grant, subject to maximum of 30% (Thirty percent) of the Total Project Cost. In case the sponsoring Central Ministry/State Government/Statutory Entity proposes to provide any assistance over and above the said VGF out of its budget, it shall be restricted to a further 30 percent of the total project cost. The projects eligible under this category should have at least 100% Operational Cost recovery.</p>
Sub-scheme 2	<p>This includes only demonstration/pilot projects in Health and Education sectors. The amount of VGF under this scheme shall be equivalent to the lowest bid which will be considered as summation of capital grant and NPV of O&M cost for first five years after COD, but subject to a maximum of 40% of the Total Project Cost as capital grant and 25% of NPV of O&M Cost for the first 5 years after COD as operational grant. In case the Sponsoring Central Ministry/State Government/Statutory Entity proposes to provide any assistance over and above the said VGF out of its budget, it shall be restricted to a further up to 40% of the Total Project Cost as capital grant and up to 25% of NPV of O&M Cost for the first 5 years after COD as operational grant. The projects eligible under this category should have at least 50% Operational Cost recovery.</p>

The quantum and applicability of VGF shall be subject to the approval of Government of India.

Appendix - 7

List of Diagnostic Services (for OPD patients) to be provided free of cost by PSE

Diagnostic services mentioned under this appendix shall be provided by PSE to the OPD patients free of cost during the contract period (33 years).

SN	Specialty	Diagnostic Service/Test
I	Clinical Pathology	
	a. Hematology	Haemoglobin estimation
		Total Leukocytes count
		Differential Leucocytes count
		Absolute Eosinophil count
		Reticulocyte count
		Total RBC count
		E. S. R.
	- Immunoglobulin Profile (IGM, IGG, IGE, IGA)	Bleeding time
	- Fibrinogen Degradation Product	Clotting time
		Prothrombin time
		Peripheral Blood Smear
		Malaria/Filaria Parasite
		Platelet count
		Packed Cell volume
		Blood grouping
		Rh typing
		Blood Cross matching
		ELISA for HIV, HCV, HBs Ag
		ELISA for TB
		APTT
		ANA/ANF, Rheumatoid Factor
	b. Urine Analysis	Urine for Albumin, Sugar, Deposits, bile salts, bile pigments, acetone, specific gravity, Reaction (pH)
	c. Stool Analysis	Stool for Ovacyst (Ph),
		Hanging drop for V. Cholera
		Occult blood
		Bacterial culture and sensitivity
	d. Semen Analysis	Morphology, count
	e. CSF Analysis	Analysis, Cell count etc.
	f. Aspirated fluids	Cell count cytology
II	Pathology	
	a. PAP smear	Cytology
	b. Sputum	Sputum cytology
	c. Haematology	Bone Marrow Aspiration

[Handwritten signature]

[Handwritten initials]

SN	Specialty	Diagnostic Service/Test
		Immuno haematology
		Coagulation disorders
		Sickle cell anaemia
		Thalassemia
	d. Histopathology	All types of specimens, Biopsies
III	Microbiology	
		KOH study for fungus
		Smear for AFB, KLB (Diphtheria)
		Culture and sensitivity for blood, sputum, pus, urine etc.
		Bacteriological analysis of water by H ₂ S based test
3N		Stool culture for Vibrio Cholera and other bacterial enteropathogene
		Supply of different media* for peripheral Laboratories
		Grams Stain for Throat swab, sputum etc.
IV	Serology	RPR Card test for syphillis
III	d. Histopathology Microbiology	Pregnancy test (Urine gravindex) ELISA for Beta HCG
		Leptospirosis, Brucellosis
		WIDAL test
		Elisa test for HI, HBsAg, HCV
		DCT/ICT with Titre
		RA factor
V	Blood Bank	Services as per norms for the blood bank including services for self component separation
VI	Biochemistry	Blood Sugar
		Glucose tolerance test
		Glycosylated Hemoglobin
2V		Blood urea, blood cholesterol
		Serum bilirubin
		Icteric index
		Liver function tests
		Kidney function tests
		Lipid Profile
		Blood uric acid
		Serum calcium
V		Serum Phosphorous
		Serum Magnesium
		CSF for protein, sugar
2V		Blood gas analysis

[Handwritten signature]

[Handwritten signature]

SN	Specialty	Diagnostic Service/Test
		Estimation of residual chlorine in water
		Thyroid T3 T4 TSH
		CPK
		Chloride (Desirable)
		Salt and Urine for Iodine (Desirable)
		Iodometry Titration
VII	Cardiac Investigations	a) ECG
		b) Stress tests
		c) ECHO
VIII	Ophthalmology	a) Refraction by using Snellen's chart
		Retinoscopy
		Ophthalmoscopy
IX	ENT	Audiometry
		Endoscopy for ENT
X	Radiology	a) x-ray for Chest, Skull, Spine, Abdomen, bones
		b) Barium swallow, Barium meal, Barium enema, IVP
		c) MMR (chest)
		d) HSG
		e) Dental X-ray
		f) Ultrasonography
		g) CT scan
XI	Endoscopy	Oesophagus
		Stomach
		Colonoscopy
		Bronchoscopy
		Arthroscopy
		Laparoscopy (Diagnostic)
		Colposcopy
		Hysteroscopy
XII	Respiratory	Pulmonary function tests
