

“ With Project Vistaar, we look at creating an ecosystem of diversity, inclusivity & sustainability in Uttar Pradesh, along with fostering social uplift

Anoop Kumar Trivedi | MD, TATA
BLUESCOPE
STEEL

“ We are committed to investing Rs 2,032 cr through nine projects in UP. We are also confident that our group will set benchmark as we will offer the best standards and quality in industry

Khalid Masood | DIRECTOR,
SHALIMAR CORP

“ European Investment Bank will increase investment significantly from existing 1.5 billion Euro to 3 billion Euro. EIB financed Lucknow Metro and also giving financial aid to Agra and Kanpur Metro projects

Kris Peeters |
VICE-PRESIDENT, EIB

“ We opened first hypermarket & mall in Lucknow last year. We have a special ODOP section in hypermarket. We have signed an MoU with UP govt to promote ODOP products across the country

Ananth Ram |
DIRECTOR, LULU GROUP

“ We appreciate the right ecosystem given to IT&ITES in Uttar Pradesh. We also look forward to the new IT policy, which seems to be enabling the right environment for future generations

Rahul Singh |
COO, HCL TECH

“ I am thankful to PM Narendra Modi and CM Yogi Adityanath for positive changes which have motivated businesses. I have grown up in this city. For me, the two MoUs, for expansion of ADROSONIC and setting up a digital innovation lab, is rather an emotional investment to show gratitude to my home state

Mayank | CEO & MD, ADROSONIC
