Lucknow: Genser Aerospace Private Limited will set up a complete aircraft manufacturing unit at the Kanpur node of UP defence industrial corridor (UPDIC).

A senior government official said that manufacturing will commence at the first complete aircraft manufacturing private industry at UPDIC by 2024.

“UP defence industrial corridor chief nodal officer, former Air Chief Marshal RKS Bhaduria and UPDIC chief general manager Rakesh Mishra had held a meeting with Genser Aerospace at Aero India to consolidate

Production will commence at the first complete aircraft manufacturing private industry at UPDIC by 2024 with a massive investment of ₹3,000 crore

the MoU signed and announced at the UP Global Investor Summit 2023,” he said.

He added that the design of defence aircraft RAJAS-Rakshan was also announced by Genser CEO Arunakar Mishra during the day.
