

# CM: Projects worth crores showcase state's potential

## Launches 172 Projects Worth ₹3,838 Crore

Arjumand Bano | TNN

**Gorakhpur:** Chief Minister Yogi Adityanath on Tuesday asserted that projects and development plans worth crores showcase 'potential' and 'possibilities'. "New projects not only give hope to people but also pave the way towards generating ample opportunities," he said.

Dedicating the Khorabar Township and Medicity with world-class facilities and inaugurating/laying foundation of 172 development projects worth Rs 3,838 crore in the city, the CM said, "the city is emerging as a 'New Gorakhpur' with numerous development initiatives taking shape. Projects like wide roads, AIIMS, fertilizer factory, four-lane, six-lane, ring roads around the city will bring success in taking the development further."

"When the youth here gets employed here itself, the money of Gorakhpur will be utilised in Gorakhpur itself," he stated, adding, "Once there was a time when people used to be content with the construction Rs 5-10 lakh roads, but now development projects

## CM inaugurates Sanyal Smarak

**C**M Yogi inaugurated Sanyal Smarak at Bharat Sevashram in Gorakhpur's Daudpur in memory of freedom fighter Sachindranath Sanyal and to inspire the youth. The CM also performed puja of Ma Bhagwati and remembered Bharat Sevashram founder Swami Pranawanand. Later, he flagged off 119 waste collection vehicles.

worth thousands of crore rupees are being launched."

"This change shows our capability and takes forward employment opportunities for the youth," the CM said while launching the prestigious project with Vedic tradition and also planted saplings to mark the occasion.

He also extended Chaitra Navratri greetings to the people and said that "Gorakhpur is becoming a new Gorakhpur because of all-round development".

The CM said, "The airport is getting extended and the

number of flights is going to increase from here. Wide roads, AIIMS, fertilizer plant, four-lane, six-lane and projects like ring roads around the city, will take the city to new heights. Ramgarh and zoo and many other similar projects will come here to make the city beautiful and attractive." He also said that the Gorakhpur railway station will be developed like an airport.

The chief minister also distributed 71 motorized tricycles and helmets among 71 divyang people on the occasion.
